

Based in St. Louis, Anheuser-Busch is the leading American brewer, holding a 48.5 percent share of U.S. beer sales. The company brews the world's largest-selling beers, Budweiser and Bud Light. Anheuser-Busch also owns a 50 percent share in Grupo Modelo, Mexico's leading brewer. Anheuser-Busch ranked No. 1 among beverage companies in FORTUNE Magazine's Most Admired U.S. and Global Companies lists in 2008. Anheuser-Busch is a major manufacturer of aluminum cans and one of the world's largest recyclers of aluminum cans. The company is a wholly-owned subsidiary of Anheuser-Busch InBev, the leading global brewer, and continues to operate under the Anheuser-Busch name and logo. As the leading global brewer, AB InBev is committed to finding innovative ways to continually improve. It's this kind of thinking that creates a unique work environment by rewarding talent, celebrating diversity and encouraging forward thinking. For more information, visit www.anheuser-busch.com.
